HOW TO DO BUSINESS

DOMINICAN REPUBLIC

Zurvita is a leading-edge, marketing company leveraging the power of word of mouth advertising and the Internet to create the next generation, home-business opportunity. This business model creates immediate cash flow and generates long-term, residual income from proprietary health and wellness products.

How We Do Business in the Dominican Republic

Thank you for being interested in ZURVITA's expansion into Dominican Republic. ZURVITA is pleased to offer our renowned ZEAL products in Dominican Republic, launching **Summer 2014**. The following information should help you understand the appropriate rules of engagement, enabling you to acquire and offer ZURVITA products and the business opportunity to others in this country. Some of our US policies have been adapted to meet the needs of International Markets so please read carefully.

ZURVITA will soon be conducting business around the world, in many countries. Each country will have its own guidelines, rules & regulations, based on a multitude of factors. Independent Consultants are responsible to be aware of each countries' differences, by reading the How to Do Business information for each specific country.

To begin operations in Dominican Republic, ZURVITA is providing products to residents of Dominican Republic on a "Personal Consumption" basis only and all product is labeled in English. This specifically means that for a short period of time, the Zurvita

products should not be resold. They are not to be made available for sale in any manner.

Initial inventory has been brought into the country under approved importation standards. The company and products are currently trademarked in Dominican Republic and the official government registrations have been started, under the direction of a local Dominican food attorney.

Once product registrations have been completed, all product will have Spanish labeling and import #s from government licensing. This is anticipated in the 3rd quarter of 2014. At that time, the products can then be resold in the country, in any Zurvita approved form or fashion.

Customs duties and ITBIS have been paid on all product that has been imported into the Dominican Republic.

Purchases are concluded in the USA, over the internet but the supply will occur locally. The product will be shipped to your choice of location, by a local professional distribution company, via courier services.

Products

To begin, the only ZURVITA products formulated and labeled for the Dominican Republic are:

- Zeal Wellness Wild Berry Canister
- Zeal Wellness Bold Grape Canister
- Zeal Wellness Wild Berry Single Serve Bottles
- Zeal Wellness Bold Grape Single Serve Bottles

In the future, additional products may or may not be introduced into the Dominican Republic based on a multitude of factors. In almost all countries around the world, Zeal Wellness products are the first products being introduced.

Financial Matters

- Commissions and bonuses will be paid **ONLY** to ZurvitaPay accounts. ZurvitaPay is a global money management company that has partnered with ZURVITA to ensure timely and accurate delivery of funds to citizens around the world. Each new participant with Zurvita receives access to create a ZurvitaPay account. When you have received funds in your account, you may: (1) use them for additional ZURVITA product purchases (2) transfer them to your bank account in local currency or (3) use them via your ZurvitaPay issued debit card for other purchases where the debit card is accepted. **Please note you must open an account and sign-up directly with ZurvitaPay to use this service. This is done through your Z-Center (online consultant back office).**
- To be eligible for commissions, Dominican Republic residents and consultants agree to allow ZURVITA to obtain (as necessary) a United States IRS form (W-8BEN) in their behalf. This form claims exemption from USA tax withholding on commissions received. Any income taxes required to be reported or paid to the home country of any ZURVITA consultant, for commissions received from ZURVITA, are entirely the responsibility of the independent consultant and is **NOT** the responsibility of ZURVITA.
- All prices of products are stated in US Dollars only, while Volumes (such as TBV and rank volumes) and commissions paid are generally stated in USD points.

Commissions, Incentives, Bonuses, Promotions Available

- All ZURVITA incentive and bonus programs are available in Dominican Republic, except some programs may have modifications for international residents as discussed above.
- Periodic Sales Promotions conducted by ZURVITA will vary from those offered in the United States and Canada, in the form of products being offered and the time period of availability. Watch for specific International Promotions offered monthly.
- Special Provisions for First Time Purchasers. Every first purchase of a Zeal Wellness Canister also receives a complimentary (Free) Blender Bottle in their shipment. For example, first purchase by a Retail customer, Preferred Customer or Consultant of a Canister, Builders Pak or Wellness Pak (containing a canister of Bold Grape or Wild Berry) will also contain a Blender Bottle. Subsequent purchases will not include a Blender bottle. Blender bottles are NOT sold separately as a product.
- All commissions paid are stated and done so in US dollars only.
- Car Program Modifications: The Car Bonus Program is eliminated for international consultants (due to global application challenges). In lieu of this, the Team Bonus Volume (TBV) is increased to a FLAT \$200 bonus based on TBV on the amount of \$1200. The independent consultant may use the bonus increase for any business building practice desired. There is no separate Car Program in Dominican Republic as a result.
- Commissions will be paid according to the ZURVITA commission plan with the following exceptions for international residents.
 1. ALL Team Bonuses which state a 30 day qualification period in the compensation plan, will be extended for an additional 10 days (40 total) in the first month. This is to compensate for purchase limitations and international shipping time. This includes all eligible TBV (Starter Paks & Initial order Wellness Paks). As a result, the Consultant has up to 40 days from their “start date” to achieve All Star Bonus (first bonus). If accomplished, Consultant will have an additional 30 days to achieve the Platinum All Star Bonus. After that, there is no specific time period to achieve any Team Bonus, just a 30 day “shelf life” on eligible TBV.
 2. In addition, the amount for qualification for TBV for international residents will be reduced to \$1200 with a reduction in program bonuses to be paid rather than the US \$3000. This is done to accommodate purchase limits in some countries. This will allow you to receive your bonus with 6 qualifying people as in the US.
 3. The amount of the bonus is adjusted to pay \$320 on the AllStar (first bonus) and \$400 on the AllStar Platinum (second bonus in the next 30 days).
 4. As a result of the lower cost Builder Paks for International Residents (200 BV for international vice 500 BV for US/Canada), the upline bonus payout will remain 20% but be aware that the actual amount of bonus is reduced from \$100 to \$40 USD or the equivalent in local currency.

Dominican Republic Country Founders Club

ZURVITA recognizes that those who engage with ZURVITA in the early weeks & months of doing business in a foreign country, may not have every marketing tool available, every product available, and every other component that might exist in Zurvita’s home country (USA). In recognition of these limitations which must be patiently managed by the early-participating consultants

(referred to as pioneers), ZURVITA has created a Country Founders Program. Those qualifying for this program will receive some significant, long-term benefits, including high-level recognition and a share in a 1% pool of the countries’ sales volume (see International Founders Program for specifics).

Product Return Policy

For consultants, the Standard Return Policy (no special provisions) applies. For Preferred Customers and Independent Consultants, contact ZURVITA Customer Service to receive a Return Authorization (RA) and specific instructions for returns to receive a credit to your credit card.

For retail customers, they should contact the independent consultant from whom they purchased the product. The consultants will refund your purchase price and then they will receive reimbursement from ZURVITA according to ZURVITA’s guarantee policies.
