Zurvita Performance H2O is a delicious, tropical-flavored performance-boosting hydration drink mix. It contains premium ingredients that work together to provide hydration through low-glycemic carbohydrates, electrolytes and more. Available in 30 servings per canister or box of 10 on-the-go stick paks.

The Informed Sport logo signifies that every batch of this product is tested for substances banned in sport before being released into the marketplace. There are no artificial colors, flavors or preservatives.

INGREDIENTS LISTING

Citric Acid, Natural Flavor, Stevia, and Silicon Dioxide.

TROPIC BREEZE

Natural flavor (Mango)

*Safe for consumption for people of all ages. Fluid replenishment is essential and should always be readily available and never restricted prior to, during, and after vigorous play or exercise. In general, water is recommended during vigorous play in the pediatric population. Zurvita Performance H2O is a safe alternative or adjunct to supplement water intake during activities in moderation not exceeding more than 8 oz./day of Zurvita Performance H2O. Adults may take as needed or as directed by your physician.
